

Holy Family School

In the event that school should be cancelled unexpectedly, we ask you to take a few moments and formulate a plan of action with your children. This ensures that the school knows what needs to happen with every child at school.

If severe weather threatens to cancel school early, we will follow the recommendations from the School District of Waterloo. If school is cancelled by the Waterloo School District, it is the parent's responsibility to stay abreast of cancellations. If another situation affecting only Holy Family School dictates an early dismissal, the decision to close school will come from the associate principal. In this case parents will be contacted by Holy Family School.

Please fill out one form for every child in your family. These forms will be kept in the school office for reference when they are needed.
