Holy Family Enrollment for 2017-2018

Our Enrollment process for the coming school year is well underway. Thank you to all the families who have already returned your enrollment forms. We are aware of the sacrifices that our families make in order to offer your child a Catholic Education. Our children are our future, and the sacrifices we make as parents to ensure that their future is faith-filled and bright are well worth the effort.

Please return your enrollment forms as soon as possible. We are beginning to make budget decisions, and knowing an approximate number of students we need to serve next year will be very helpful. If you are unsure, please talk to Miss Penny or Father Jorge and let them know of your situation.

Remember, thanks to the Jesus, Mary and Joseph Scholarship Fund tuition assistance is available. If you know of a family who might be interested in attending Holy Family, but they might need some financial help, please share this information with them. If your family might need some financial assistance to enable your children to attend Holy Family next year, know that we may be able to offer some financial relief for you. All questions about Scholarships/Tuition Assistance should be directed to Father Jorge.

Enrollment Drive Open House

Holy Family School will be holding an Open House to encourage enrollment for the 2017-2018 school year on Tuesday, April 11 from 6:30 to 7:30 pm.

Please invite your family and friends to attend, especially those who might be open to choosing Holy Family as an educational choice for their children.

A poster advertising the event is included in all Friday Folders. Please share it with other families you know. Let them know the good things about Holy Family and why it is your choice for your children.

Stations of the Cross

Holy Family School students will be observing Stations of the Cross on the Tuesday, April 4

We will meet in the church at 2:30 pm to begin this prayerful journey. Parents are invited to join us on our way.

Field Trip Reminders

Classroom field trip time will soon be upon us. All of the classroom field trips and the all school trip are coming up soon. There have been many questions about who can accompany students on the trips. Here are the basics:

- ☺ Field trips are for students of Holy Family School only—younger or older siblings are not allowed to attend.
- ☺ All adult chaperones must have attended VIRTUS training, have had and passed a background check, and if driving had their driving background check completed and passed.
- ☺ Students who are required by State of Wisconsin Law to ride in a car seat must bring their car seat to school with them on the day of the trip—if transportation will be provided by volunteer drivers.
- ☺ All communication about classroom field trips will come directly from the classroom teacher. If you have any questions, please call the office or talk with Miss Penny. Thank you for your support of our policies.

Happy April Birthday!
